Aneurysm Awareness 5K

Lisa's Light, an aneurysm awareness 5K was created in memory of Lisa Wise, a beautiful woman who left this world way too soon. Her two amazing daughters, Melissa & Laken, and husband, Dave, wanted to keep her light shining on forever by planning a 5k event for aneurysm awareness. Their hopes along with the ELEVATE team are to fill the streets of Hartford with supporters, community, friends and family to keep Lisa's Light forever burning while impacting others. We hope to raise as much money for aneurysm awareness to help someday prevent future lives being lost. Aneurysms are so unpredictable and spontaneous, they need so much more funding to do more research and develop more comprehensive diagnostic testing.

Join us Saturday October 15 in Hartford, Wisconsin. Our opening ceremony will kick off at 9:45 and the 5k Run/Walk will begin at 10:00 am at Woodlawn Park (1200 Wacker Drive).

The Race is \$30 per participant and includes a race T-shirt and some race bag freebies! There will also be a small post race celebration!

Register at www.elevatemke.com

All proceeds will go to the Fibromuscular Dysplasia Society of America (FMDSA) to fund research efforts for the rare disease which caused Lisa's aneurysm to form.

Thank you for your support!
