

# Welcome!

## We're So Happy You're **HERE.**

We're so happy you chose Forte Bank. Our Switch Kit will help you get your new account up and running in no time! Utilize these forms to organize your new account information, transfer existing direct deposits and automatic payments, and close your old account.

### **1. Open your new Forte Bank account.**

After you open your Forte Bank account, you'll want to keep track of your new account number, as well as organize the direct deposits and automatic payments you'll need to switch.

### **2. Change your direct deposit.**

Utilize the direct deposit form to notify your employer and any other source that automatically deposits funds into your account that you have switched bank accounts.

### **3. Update any automatic withdrawals.**

Some organizations require written authorization to change automatic withdrawals. Use this form to notify them.

### **4. Close your old account.**

You can close your old account once your direct deposit and automatic payments are processing through your new Forte Bank account, and you've verified that all outstanding checks and debits have been paid.

#### **KEEP IN TOUCH**

If you need help switching over to your new account, please call us! We are happy to talk you through the process and answer any questions you have.
